# PEACE BEYOND THE SUNSET

***Immortal Quartz:***

***Ah, this beautiful kingdom, my treasures, my everything! This place is mine, and everyone loves it. I love it too! Truly, isn't it amazing?***

***Startled Aquamarine:***

***It really is, Your Majesty! With everyone's help, the kingdom is getting better every day! Your Majesty, have you ever thought that this kingdom could ever come to an end?***

***Immortal Quartz:***

***Sigh Actually, I've never thought about that... Well, let's not think about it.***

# ***DAYS PASS...***

***Startled Aquamarine:***

***Your Majesty, look at the Pagoda of Rose Quartz that the crystal is building! It really looks phenomenal!***

***Immortal Quartz:***

***It reminds me a bit... of my first kingdom...***

***Startled Aquamarine:***

***Huh? Can you please repeat that?***

***Immortal Quartz:***

***Oh, never mind. Sorry, I think it would be best for us to take a rest.***

***Startled Aquamarine:***

***Yes, of course.***

# ***pagoda of rose quartz***

**IN REST/SLEEP...**

**Awakened Emerald:**

***My kingdom is yours, so are your treasures! My greed will always be everlasting!***

**Immortal Quartz:**

***Huh? Who is this talking in my mind!?***

**Awakened Emerald:**

***Oh, such a good question! In a few days, I will awaken, and my greed will explode with how greedy I am! But my appearance and name stay a surprise.***

**Immortal Quartz:**

***Your greed for my kingdom is everlasting? [In his mind] Does that mean there will be no peace in my kingdom anymore?***

***Awakened Emerald:***

***Oh yes, indeed!***

***Immortal Quartz:***

***Get out of my mind and my kingdom, you little pest!***

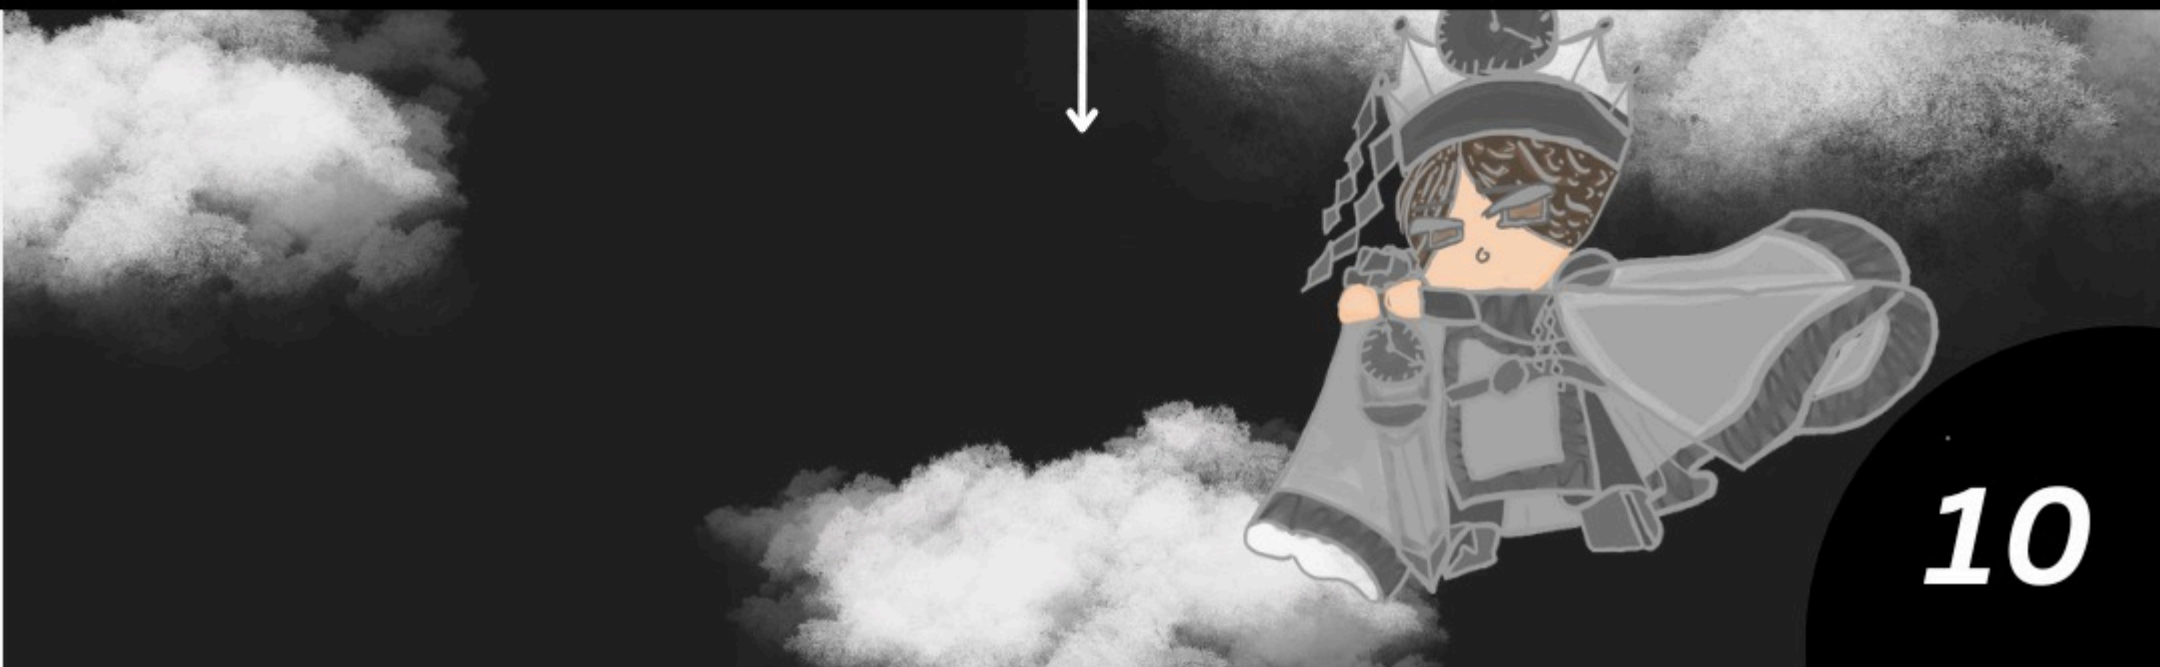

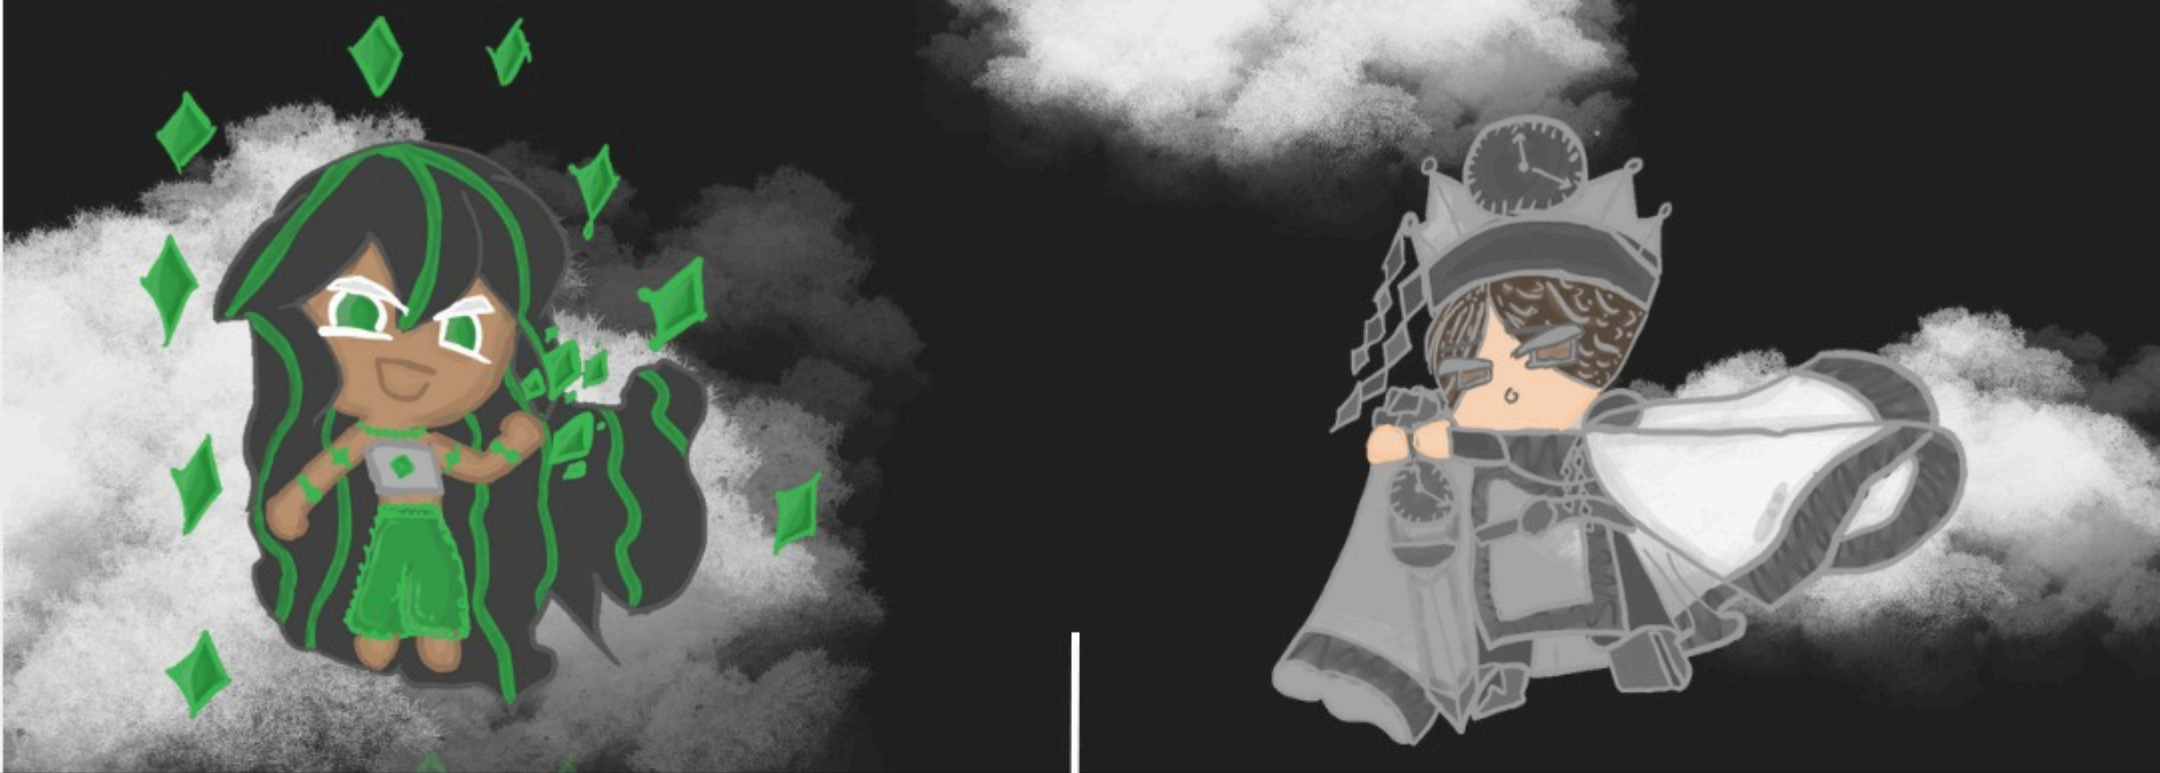

***Awakened Emerald:***

***Ugh, fine! But you will have to deal with me for the next few days... or maybe even months! These little stories that you're going to experience every day are my favorite part. But let me stop "bothering" you so you can rest for the upcoming few days...***

***Immortal Quartz:***

***Finally, that little pest is gone! Some peace at last... But what did she mean by "let you get some rest for the upcoming few days"? It sounds really weird.. Let's forget about it, though. What will happen to my kingdom? Everything I've ever dreamed of? Immortal Quartz, stop thinking about it! Leave me alone, this feeling is awful. Let's just take some peaceful rest in this beautiful quiet, like I used to.***

# THE NEXT DAY...

**Immortal Quartz:**

***Startled Aquamarine, I really need to tell you something. Someone has been haunting me in my dreams. Specifically, someone who is awakening and trying to become the queen of this kingdom. And I feel like my kingdom won't have peace.***

**Startled Aquamarine:**

***What do you mean by that, Your Majesty?***

**Immortal Quartz:**

***I need to find peace if that ever happens. I feel like my favorite place—the sunset—holds something that could stop the pest who has been haunting me. So, that means my trip to find peace beyond the sunset starts now. I need to speak at the local Crystal Hall. Startled Aquamarine, come with me, quick!***

**Startled Aquamarine:**

***Of course, Your Majesty!***

# **IN THE CRYSTAL HALL...**

***Immortal Quartz:***

***Hello, everyone. I have decided to go on a journey to find peace beyond the sunset. A terrible person has been haunting me these days. Horrible words have made me afraid for this kingdom, so this is me signing off until our next gathering here, in the Crystal Hall. Goodbye, everyone.***

***EVERYONE:***

***Farewell!***

# **THE JOURNEY TO FIND PEACE BEYOND THE SUNSET STARTS NOW**

**Immortal Quartz:**

***But how can I leave all my friends behind—friends who have supported me despite everything? How can a world for all crystal kind exist without my dear friends? A heart that beats for one’s friends is a heart that beats for all crystal kind.***

**Awakened Emerald:**

***What are you talking about again, you silly fool? Your little sayings mean absolutely nothing. They won’t stop me, if that’s what you’re trying to do. And finding “peace beyond the sunset” sounds awful.***

**Immortal Quartz:**

***I am not trying to do that. I’m no longer afraid. Who can wield such power if not me? Besides, I am the King of the Crystal Kingdom.***

***Awakened Emerald:***

***Even more pathetic. I'm getting out of your mind because that sounds hilarious. Goodbye, for now.***

***Immortal Quartz:***

***How lucky am I to have some quiet after you left? It's been days since I left. I wonder how my friends are doing.***

# **BACK IN THE KINGDOM...**

## ***Startled Aquamarine:***

***Hello, everyone. Today, it was expected for our king to return, but he is not here. So, I have decided to send five brave students from the Crystal School to find him. Hopefully, these students shall bring joy and laughter back into the kingdom, as well as our king!!!  
Farewell, students!***

## ***EVERYONE:***

***Farewell!!!***

# **BACK WITH IMMORTAL QUARTZ...**

***Immortal Quartz:***

***These little passages are really hard to pass, and the sea level is getting high. But I need to cross the sea... Wait, what if my enemy is waiting for me at the sunset? You know what? Let's forget about it. Hm... what are these emeralds shining so brightly today? Could this be a sign?***

***Awakened Emerald:***

***Oh yes, they are, foolish one.***

***Immortal Quartz:***

***Is this a sign of you?***

***Awakened Emerald:***

***Yes, indeed!!! What did you expect? Did you think I was  
going to  
be some foolish crystal?***

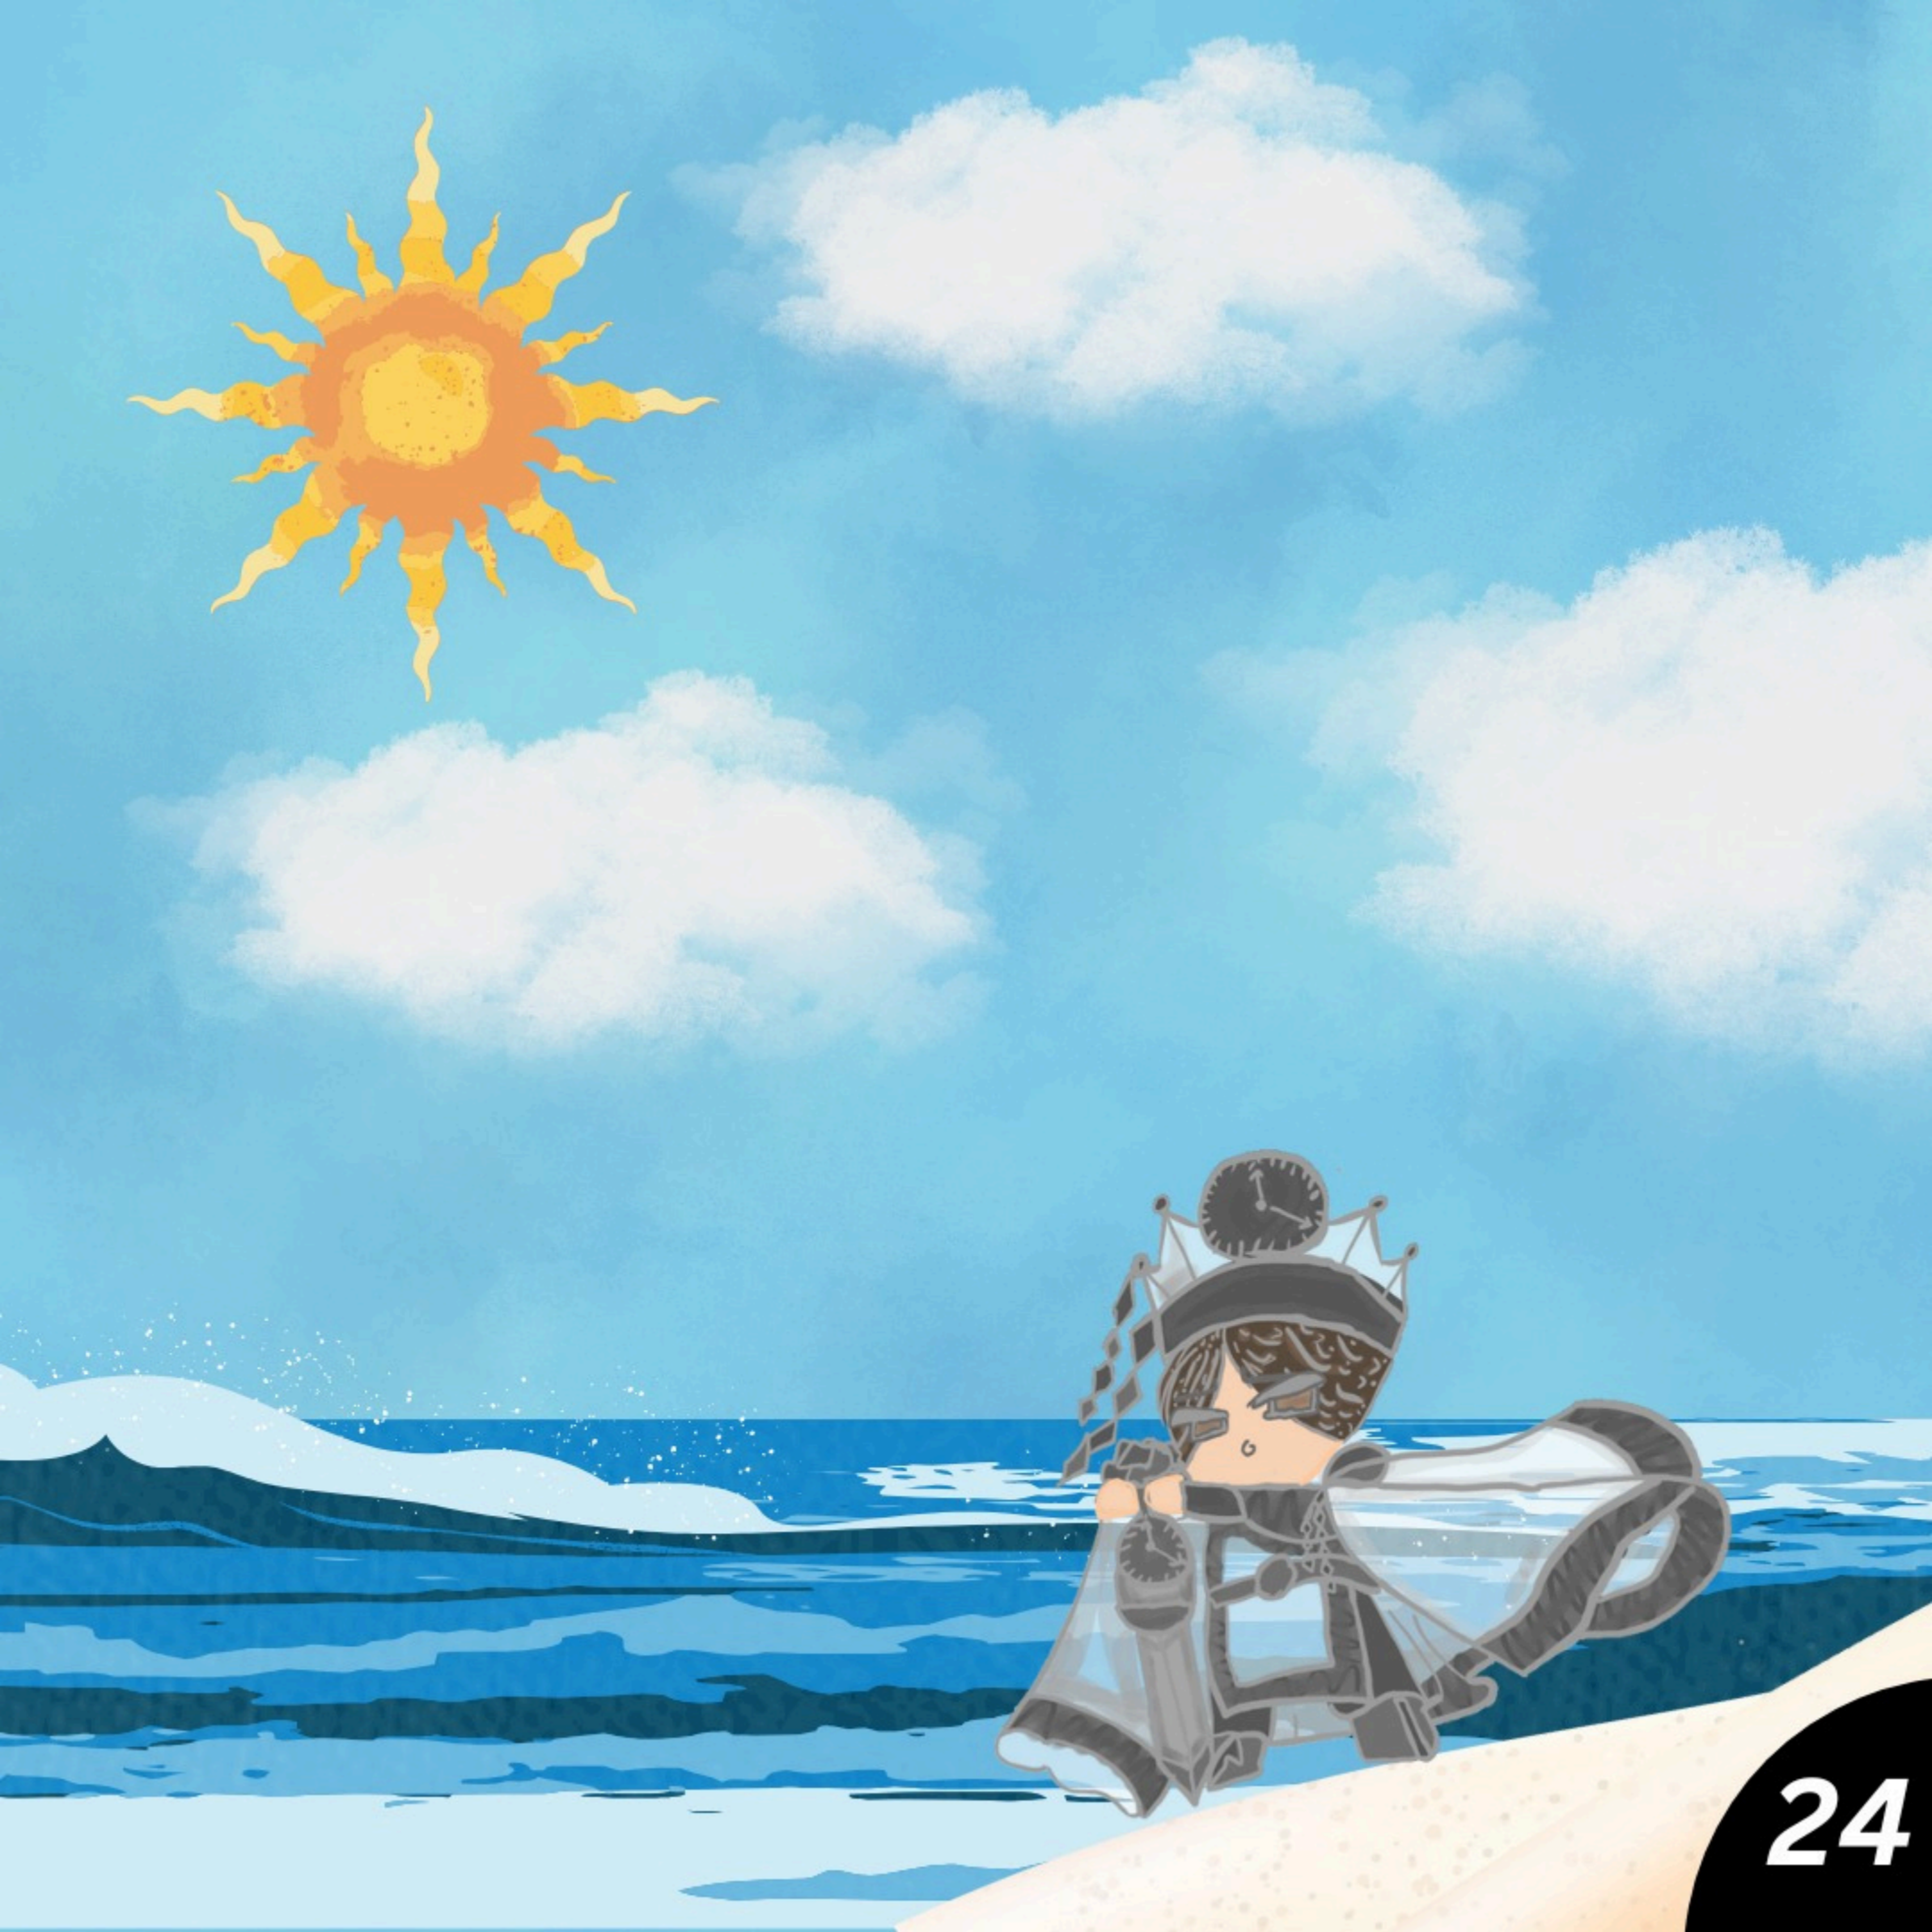

***Immortal Quartz:***

***No, just go away and stop taunting me. I've had enough!***

***Awakened Emerald:***

***Aw, how can I say "no" to "the King of the Crystal  
Kingdom"? So, yes I am going.***

# **THE FINAL FEW STEPS...**

## **Immortal Quartz:**

***The final few steps are here... right in front of me. But... what is that shining green light behind the sunset? Is it maybe the person who's been taunting me?***

## **Awakened Emerald:**

***Ring Ding Ding! Why, yes it is! I've followed your footsteps and came here. What a good place to awaken in front of your eyes! For it is me, your precious Emerald! Huh? Who are those people?!***

## **Startled Aquamarine:**

***Immortal Quartz!!! We came to rescue you! Me and five brave students from the Crystal School!***

***Immortal Quartz:***

***Startled Aquamarine!!! Come with the students, this is going to be our battle against this emerald which I've been talking about. Get into battle, quick!***

***Awakened Emerald:***

***Could you not have done this on your own? That just proves that you're weak!***

***Immortal Quartz:***

***Should I repeat my "little saying" to you? Because I am going to repeat it. "How can a world for all crystal kind exist without my dear friends? A heart that beats for one's friends is a heart that beats for all crystal kind."***

***Immortal Quartz:***

***I can't choose... If I choose defeat, I leave everything behind. My friends, my treasures, my kingdom, my everything! YOU WON'T CRUSH MY TREASURES. YOU CANNOT CRUSH THEM. MY RIGHT TO BE CALLED A GOD AND A KING. You will not take this power by force!!! NOW I SHINE MORE THAN EVER. HMPF, TASTE THIS REGRET OF YOUR GREED!!! KABOOM EXPLOSION***

***EVERYONE:***

***YOUR MAJESTY!!!***

***Awakened Emerald:***

***No! It can't end this way! No, I can't go back anymore! I can't become a regular emerald again! turning back into a regular emerald***

***Immortal Quartz:***

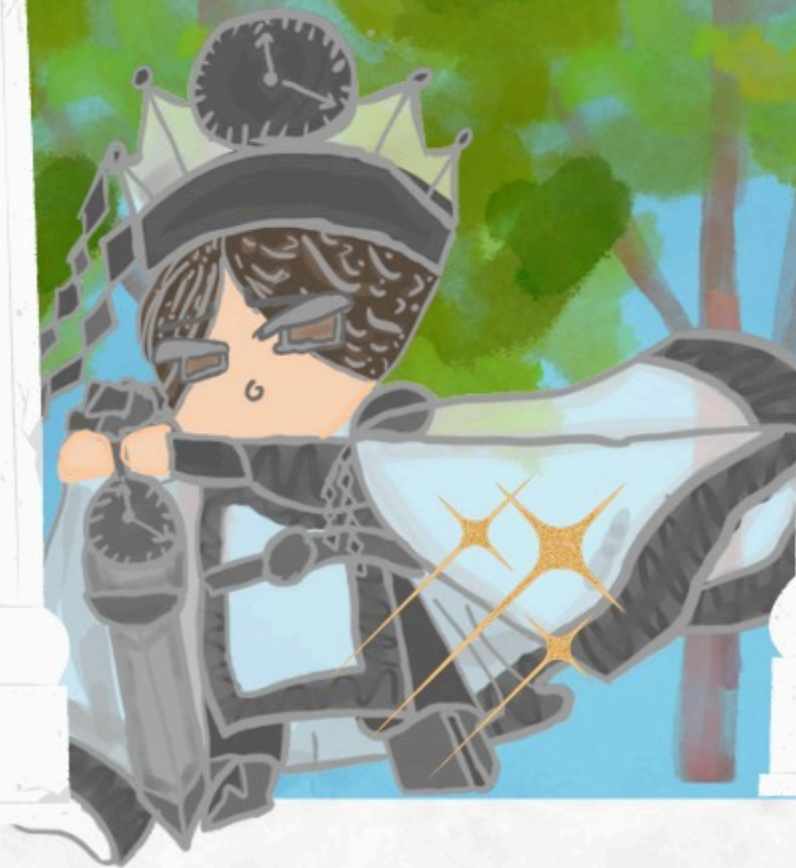

***Finally! Some peace and quiet. Let's go back to the kingdom. A huge thank you to all of you for standing up for me.***

***EVERYONE:***

***You're welcome!!!***
